We were trying to get all the information (other than contact info) on one page. We don't have a problem with the "old" format, whichever...

Also - citizens have told us in the past that the 2-column format is easier to read and follow than the paragraph format.

Thanks Carrie. Gary is out of the office until Thurs. and after tomorrow, I am out until next Monday. As soon as everyone has reviewed, I am sure we will get back to you. One question: Is there a reason you changed our template/format?

Thanks

Hey Gary -

Attached is our take on the fact sheet.

One question - the part that is highlighted about soil sampling and monitoring wells, should locations be added for these? (ex - on-site monitoring wells...)

Tina and I are in the office this afternoon if you have any questions.  
Thanks!
